## HIGHLIGHTS

### April 2024

Our team had a very productive month chatting with numerous organizations we are proud to call partners. It is so motivating to hear of others with similar goals and passions to improve the construction industry in their own unique ways. Stay tuned for upcoming announcements!

### May 2024

In preparation for Pride month in June we developed a Pride in Construction committee to help plan a community engagement event. We were overjoyed when four wonderful people answered the call and hit the ground running with planning and coordinating with SAIT Polytechnic.

### June 2024

We hosted our inaugural Pride in Construction Community Engagement event at SAIT Polytechnic on Fri. Jun. 7th from 12-4pm. Approximately 800 students came through and visited the twelve vendor booths and chatted with a variety of industry representatives and listened to the speaker panel. We also raised \$800 for Skipping Stone Foundation!

Our team will be taking a break during July and August to return in September to finalize our annual goals and objectives.

Additional volunteers will be joining the team in September to help enhance our online presence and reach through our social media channels, increase website content, and establish more services to offer the construction industry.

The first six months have been a whirlwind and we are excited to carry our momentum into the fall. Stay tuned for ongoing updates and feel free to keep in touch by emailing us at [hello@diversitrade.ca](mailto:hello@diversitrade.ca) or visiting us online at [diversitrade.ca](https://diversitrade.ca). We look forward to connecting with you!

### PRIDE IN CONSTRUCTION COMMUNITY ENGAGEMENT EVENT

We are so grateful to all of our sponsors for the event including SAIT Polytechnic, TC Energy, WITT, EllisDon, Graham, Jardeg, Modern Niagara, PCL, Prospect, SafeLink, Strike Group, and Women Building Futures. Thank you to our panelists, Dustin Victor, Jane Durango, and Tammy Amstutz for sharing all your insights with the attendees. As well thank you to all the SAIT instructors and staff who volunteered their time to help.

Pride in Construction 2024 stickers still available for purchase. They are \$2 each with a portion of the proceeds to the Skipping Stone Foundation. Email [hello@diversitrade.ca](mailto:hello@diversitrade.ca) for more info.
